and EEOC

State or local Agency, if any

I allege I was discriminated against because of my race (black) and/or color in violation of Title VII of the Civil Rights Act of 1964, as amended, and/or due to my disability and/or record of a disability and/or in retaliation for requesting a disability based accommodation and in violation of the Americans with Disabilities Act of 1990, as amended, in that I was not selected for a permanent position as noted above, I was discipline in April of 2019, Respondent failed to engage in the interactive discussion with me per as required by the ADA and I was discharged. Kate Wojowski was selected for the position noted above in April of 2015 although she had no prior relevant experience and had not previously worked for Respondent. In contrast, I had been working for Respondent in the position for which I applied for a year as a temporary employee. James [REDACTED] (white) was given an opportunity to attend a rehabilitation program after testing positive for an illegal drug(s). In contrast to Mr [REDACTED], I was not given an opportunity to submit my renewed medical marijuana card prior to being discharged. The renewed medical marijuana card was not allowed to be submitted to Respondent within a few days of the drug test Respondent administered and I requested a grievance to be returned to work. I have not been returned to work and have not received a response to Respondent regarding my submission of the renewed medical card and my request to return to work. Respondent failed to engage in the interactive discussion with me as required by the ADA regarding my drug test results as related to my disability and failed to allow me to provide updated medical documentation prior to discharged me. I was legally allowed to use marijuana for medical use in August up until the expiration date. Marijuana remains in a person's system for up to 90 days. The day I was drug tested by Respondent was well within 90 days of the expiration of the drug test, thus, the test indicated a positive result for marijuana.

I want this charge filed with both the EEOC and the State or local Agency, if any. I will advise the agencies if I change my address or phone number and I will cooperate fully with them in the processing of my charge in accordance with their procedures.

I declare under penalty of perjury that the above is true and correct.
